Summer Holidays!

Where did this school year go??? I do hope everyone enjoys their holiday and will be able to use the time to explore some new music.

Congratulations...

are due to Jocelyn and Leonard who have both been awarded Music Medals following their recent assessments.

Library

As time goes on, I'm gradually building up a (very small!) library of music books that can be borrowed when people are 'between books'. Of course, it is always best if you can have your own music but sometimes it can be helpful to have a chance to try things first...

Newark Young Sinfonia

Claudia and Arjun have both been taking part in this newly-formed orchestra for children in and around Newark. The orchestra meets once a month on a Sunday between 10am and 12 noon. For more information, contact admin@newarkyoungsinfonia.org.uk

Parking

Thank you for your continued co-operation over this. If you are coming for a lesson or waiting for children,

please do park on our drive if you can - it avoids aggravation amongst our neighbours! On-street parking further down the road is possible if necessary.

Reminder

Please do remember that lessons cancelled **will normally need to be paid for**. If you know in advance that you are unable to attend your lesson, I will always do my best to re-schedule it but this may not always be possible.

Holidays Dates

As in previous years, I will be happy to give lessons when I am here. I will, however, be away 27-31 July and 10-14 August. During the second half of August lessons may be available but, at the moment, I am unable to confirm dates and times.

Happy Music-Making!
