## Back To Work...

The summer has been and gone (I think) and I'm really excited to be starting the new term. Although I was away for a while, I think I managed to see most of you over the holidays - so you shouldn't be too rusty...

## Welcome!

I'm delighted to welcome new students, John, Emelia, Vicki and Thomas - I do hope they continue to enjoy their playing...

## Medallists!

I'm not talking about the Olympics! Just before the summer, a number of students took their Music Medal assessments - with great success! Congratulations to Weronika, Ananthu, Leonard, Jocelyn, Cody and Pippa, who all played beautifully on the day.

## Performance Skills

The focus for this term is going to be on 'presentation' and all the skills involved in giving a good performance - even if it's only when you play to me!

## Newark Young Sinfonia

This orchestra, for children in Newark, meets once a month on a Sunday between 10am and 12noon. The first rehearsal of the season is on 18<sup>th</sup> September. For

## Outgrown Violins

Do any of you have smaller-sized violins that your children have grown out of and that you might want to part with? I'm particularly thinking of three-quarter size instruments which might be available for growing youngsters. Do let me know...

## Parking

Thanks again for your continued co-operation on this. If you are coming for a lesson or waiting for children, please do park on our drive if you can - or on-street parking further down the road is possible if necessary.

## Reminder

Lesson fees remain the same for the time being, but please remember that lessons cancelled **will need to be paid for**. I will do my best to re-schedule a lesson but this may not always be possible.

## Happy Music-Making!
